Jona St. John (Seymour) was established in 1990 and has been musical ever since. This is their second show with Enchantrix, and 'Little Shop' is the company's second production (so it's been a perfect track record so far)! She hopes to create and collaborate locally on even more groovy goodness in the times to come. To all the cast & crew, friends, family, and Taco Bell: Thanks a million for making the magic you do.

Blue (Audrey) is super excited to play Audrey in Enchantrix theater's production of Little Shop of Horrors. They don't know how they got the role to be perfectly honest. Maybe dark magic. Some of their notable roles include Snowboy in slyhs's 2018 production of West Side Story, Maria in Sound of Music 2018, and Baby Jesus in the nativity play 2000

Marcus Edwards (Mr. Mushnik) Expert in all forms of badassery: 26 knee caps inverted, 13 broken arms, 2 broken jaws, And 1 scalping. Hobbies: collecting \$100 bills Dislikes-stale pita bread

Jacqui Galan (Chiffon) is very excited to do her first community theatre show! She has been in various productions at The Western Stage and is looking forward to being in their production of The Hunchback of Notre Dame this summer.

Lauren Chouinard (Crystal) is a Santa Cruz based performer in operas, musicals, and comedy stages all over California. She dedicates this performance to her spouse who has an extreme fear of carnivorous plants.

Nadja Mark (Ronnette) returned to the stage after 15 years in December with the African American Shakespeare Company and has had a lot of fun with this production. Offstage Nadja is an advocate for arts & humanities and hopes you leave singing & dancing while reflecting on the show's deeper themes. Have fun and remember to support your local arts!

After eight long years of missing the stage, Drew Tamez (Orin) feels blessed to be back on stage and have the opportunity to perform again. Drew is committed to not letting time pass by again and hopes to continue performing for many years to come! Drew will be seen next as Rooster in the Paper Wing Theatre's production of Annie this summer. Drew's dream role would be to play the Emcee in Cabaret! This performance is dedicated to Drew's family and friends who watched him grow up performing and are back to see him on stage all these years later.

Cody Moore (Audrey II Puppet) has been involved in a number of different theatre companies over the years including Paper Wing, Pac Rep, Western Stage and Forest Theatre Guild. He is happy to finally be puppeteering as Audrey II. He has previously puppeteered as another giant puppet, the Bumble in "Rudolph the Red-Nosed Reindeer". Outside of theatre, Cody enjoys drawing, painting, making costumes, puppetry, pole-dancing and performing burlesque & cabaret.

This is Ben's first ever time acting on stage, yet not his first time involved in theater. In the past he's been played trombone in the pit for West Side Story, but he is thrilled to be dramatic and sing on stage for this production. Born in Santa Gruz, Ben recently completed a Bachelors in history at Colgate University in upstate New York, and a Masters in modern history at the University of York in the UK, yet he is excited to step out and of his comfort zone and perform for you all back on his home turf.

DJ Disco Dad (Colin St. John, Director, Voice of Audrey II, Choreographer, Lighting Design, Sound Sith Lord) is powered by the love of MC Magic Mama, Mirthy McKenna. Radioactive River, and Psychotronic Poet. He slumbers for years only to erratically erupt into a sea of overcommitment. I came, I saw, I ate Provia.

Tara Mann (Vocal Director) is a Monterey native who has been performing live theatre for over ten years. She was most recently seen as Jane Doe (Ride the Cyclone), Bride Ancestor/Wednesday Addams (The Addams Family), and the Aldonza understudy in Man of La Mancha with Enchantrix. She began Vocal Directing with Man of La Mancha last fall and is happy to be back with Enchantrix for Little Shop of Horrors
